

MARDI GRAS SAFETY TIPS

.. keeping your family safe

Sheriff Randy Smith

"It is important that children stay safe during Mardi Gras. This is a fun and exciting time for children. Communicate with your children so they know the rules and you know they're safe."

- **Stay with an adult** and do not talk to strangers.
- **Do not run** in front of crowds or in the street to catch beads.
- Make sure you **have a cell phone number** to call in case you get lost. If you are lost, look for a policeman or sheriff; give them your name and the phone number to call.
- **Establish a designated meeting place** between an adult and you in case you get separated.
- **Always submit an address** of where you will be to the local Law Enforcement Sex Offender Database, thereby giving you the information for which houses or areas to avoid.
